Madam,

With reference to the subject cited above, I am to say that a team of Inspector from Assam Nurses Midwives & Health Visitors Council Guwahati-22 duly conducted inspection for opening of the proposed A.N.M. training school at "Sarbananda Deka School of Nursing" Sarthebari, District Barpeta on 26/05/2016. As per inspection report, it has been found that there is provision to start A.N.M. training programme at their Institution according to Indian Nursing Council Norms. However, you have obtained No Objection Certificate for starting of the above programme from Govt., vide their letter No.HLA./186/2011/pt/103 dt. 08/09/2016.

In view of the above, you may be suggested to approach Indian Nursing Council, New Delhi along with complete proposal supported by required relevant documents, requisite Demand Draft etc. to inspect the said programme in your Institution for issue of necessary permission/approval with approved number of seat for one academic year 2017-18 as per norms of Indian Nursing Council, New Delhi.

This is for your information and needful.

Yours faithfully,
